Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Thursday 25 Mar 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry with plenty of sunny spells.

Today:
A largely dry day, with plenty of sunny spells between any cloud breaks. The odd isolated shower is possible in the west and winds will begin to strengthen. Maximum temperature 14 deg C (57 deg F).

Tonight:
Remaining dry with plenty of clear spells this evening. Cloud will build overnight with a few scattered showers and stronger winds. Minimum temperature 7 deg C (45 deg F).

Friday:
A band of heavy rain will move across the region during the morning, followed by sunshine and blustery scattered showers in the afternoon. Feeling colder. Maximum temperature 10 deg C (50 deg F).

Outlook for Saturday to Monday:
Largely dry with sunny spells on Saturday. Outbreaks of rain and strong winds on Sunday. Often cloudy with some light rain on Monday and windy.
